

Save the Date: American Indian Summer Institute

June 26-30, 2016

A free 5-day program that focuses on providing an introduction to college life for American Indian high school students enrolled as Sophomores and Juniors and are interested in learning about College and Universities. The program will be housed at Sacramento State and will focus on Sciences and Natural Resources. The program is supported by CSU Chancellor's Office, CSU Sacramento, UC Davis, the UC Davis School of Medicine and the Office of U.S. Fish and Wildlife

Applications are available on April 1st at: www.csus.edu/saseep/AISI
